Providing a thorough training in the human body through effective, understandable teaching methods, The Wellness School offers a strong base in Swedish Massage techniques, focusing on relaxation and the importance of learning a calming, relaxing massage. Then we will build on that foundation to teach you how to assess when your client needs therapeutic massage and give you the skills to help improve their quality of life and functional outcome with measurable results through specialized massage and bodywork techniques. You will be in high demand in this rewarding career as a Licensed Massage Therapist!

Taking applications now for Fall 2023. Don't pass up this opportunity for a life-changing, rewarding career as a Massage Therapist. Learn all about it in our upcoming Q&A Information Session.
